

WELCOME to the OLD STONE

The OLD STONE is a special events venue as well as a functioning church that houses three different congregations.

The Old Stone Church Foundation is dedicated to building community through music, education, and spiritual activities. We also serve the community by hosting weddings, fundraisers, graduations, classes and memorials. We are open to all community events that take good care of this special, historic, downtown building.

The Old Stone Church was built in 1912 as a Presbyterian Church.
